

TITO PUENTE JR. & DJ LEOMIAMI @ MIAMI BEACH

Saturday June 22, 2019 was a unique Salsa Music performance experience at the Normandy Fountain Miami Beach with world known Timbal Player Tito Puente Jr. & Miami's own DJ Leomiami and Salsa Instructor Fernando Garcia

Introducing an original musical concept of having a Live Percussionist performing along side a DJ Mixing your favorite Salsa music accompanied by Salsa Dance Instructor

The weather was perfect, the music was great and the people (specially the Salsa dancers) were great.

It was fun to have the instructor in front of you teaching all the great salsa steps. He created some good routines while everyone followed along. It was a perfect opportunity to burn some calories. The music was on point and having Tito Puente Jr. performing live on stage just gave it a special live musician element and helped you stay on beat.

Adult beverages were provided by new neighborhood bar, Bob's Your Uncle with food by Capris Italian and Casa Marina. Free Art activities for the kids was provided by Painting with a Twist. They had a Salsa Dance Competition and Tito Puente Jr. was one of the judges with some local celebrity like Ray Guell and special guests.

Special Thanks to David Sexton, Kimberly Chmura and KCC Productions & Tony Gundin, Urban Resource, Mary UR Bargagliotti for being our community sponsor and for providing a fun all ages activity tent! Thanks to our Local Vendors: Las Vacas Gordas, Capri's Italian Restaurant and Bob's Your Uncle Miami! Thanks to the fabulous dancers!
